To Whom it May Concern,

You are hereby notified that the Government intends to invoke the 3 year Option Period for DLA J6 Enterprise Technology Services (JETS), under JETS IDIQ SP4709-17-D-0115 to support DLA's current and future requirements for comprehensive, best practice Information Technology (IT) support services provided to the DLA Enterprise and the Department of Defense (DOD).

This preliminary notice does not commit the Government to an extension.

The effective option period of performance, if invoked, would begin January 4, 2022 through January 3, 2025.

If you have any questions, please contact Michael Yacobacci at Michael.yacobacci@dla.mil or Nichole Raffle at nichole.raffle@dla.mil.
